01 The Willibooks Book Talk Show brings books to life through conversation. Author Andrew Williams will share the thinking behind his writing and the messages in his books. The discussion will explore themes across family, business, leadership, wisdom, and salvation. Listeners will hear how reading can support reflection, personal development, and stronger communities. This event welcomes readers who enjoy exchanging ideas as much as discovering new titles.

02 Willibooks presents books in print, e-book, and audiobook formats to meet different reading preferences. During the show, guests can learn about the range of titles and how to find a format that suits them. Each conversation connects a book's ideas to questions faced by individuals, families, and organizations. Participants are invited to listen closely and reflect on the subjects raised. The event advances Willibooks' mission to make practical, life-changing knowledge accessible to a broad audience.

03 Join us on December 11 every year, from 3:00 PM to 6:00 PM in Kampala, Uganda. Come prepared to hear, reflect, and take part in a thoughtful book-focused afternoon. Bring questions inspired by the themes of the books and the work of the author. Share this event with fellow readers, book groups, and community organizations. We look forward to welcoming you to an afternoon of ideas and conversation.
