01 Set aside time for a shared celebration of reading, reflection, and discovery. The Willibooks Reading Event invites participants to spend time with books by Andrew Williams. Readers can explore ideas from the family, business, leadership, wisdom, and salvation categories. The programme is designed for curious readers at different stages of their reading journey. Come to enjoy a welcoming atmosphere built around books and the value of learning.

02 Willibooks believes that meaningful books can strengthen individuals, families, businesses, and communities. Participants can enjoy reading, consider key passages, and reflect on lessons that matter in daily life. Books are available in print, e-book, and audiobook formats to support different preferences. The event encourages both new and experienced readers to make space for regular reading. Join the wider Willibooks community in celebrating knowledge that can inspire positive change.

03 The Reading Event takes place on December 19 every year, from 12:00 PM to 6:00 PM in Kampala, Uganda. Spend the day discovering books and exchanging thoughtful reflections with fellow attendees. Bring a favorite passage or a question you would like to consider. Willibooks will share information about its books and available formats.
