01 Books create a starting point for thoughtful conversation and shared learning. The Willibooks Book Discussion Event invites readers to explore ideas from books by Andrew Williams. Discussions will draw on themes of family, business, leadership, wisdom, and salvation. Participants can bring their experiences and perspectives to a respectful exchange. The goal is to connect meaningful reading with questions that matter in everyday life.

02 Willibooks publishes practical books for individuals, families, businesses, and communities. The discussion offers readers a chance to consider how a book's lessons can be understood and applied. Guests can learn about print, e-book, and audiobook options across the Willibooks catalogue. Different viewpoints are welcome, and attentive listening is part of the experience. Together, readers can build a stronger culture of reflection and lifelong learning.

03 Meet us on December 28 every year, from 3:00 PM to 7:00 PM in Kampala, Uganda. Choose a Willibooks title or theme that interests you and come ready to discuss it. You are welcome to listen, share a reflection, or ask a question. Invite a friend, colleague, or fellow reader to join the conversation. We look forward to an engaging afternoon with the Willibooks community.
